Notes on the Speaker

Ingrid Yin, Ph.D.

**Co-Founder, Managing Partner and Portfolio Manager
MayTech Global Investments**

Ingrid has extensive global investing experience, with specific expertise in identifying investment opportunities in healthcare and Asia.

Prior to co-Founding MayTech, Ingrid served as the Managing Director of China Equity Research at Oppenheimer & Co. Previously, she led China research as a Senior Equity Analyst at Brean Capital Management. Before that, she was an Asian Equity analyst at Wellington Management, and a global healthcare specialist at Sirios Capital Management.

Before her career in finance, Ingrid was a Research Fellow and Senior Research Scientist at Memorial Sloan-Kettering Cancer Center. Ingrid is a member of BayHelix Group, the 2018 SupChina female rising star award winner and an advisory board member of SupChina.

She earned her B.S. from Beijing University, an M.B.A. from MIT Sloan School of Management, and a Ph.D. in Chemistry, Biological Chemistry Concentration, from Stony Brook University.
