## A New Way to Get Involved at OLLI

**What is a SIG?**

**Email Fran**

We are excited to announce that information about starting a Special Interest Group (SIG) is on the OLLI Website. A SIG is a group of OLLI members who meet to share and enjoy a common interest. SIGs are created by OLLI members and they decide how the group will function. The SIG Proposal Form is now "live" so members interested in facilitating a SIG can complete and submit the form on the website. Once a SIG Proposal Form is submitted and confirmed, the SIG information will be listed on the website with a contact person.

For questions about getting involved with the SIG program, please contact Fran Leiboff, OLLI SIG Chair.
