It is the student's responsibility to plan a class schedule that avoids exam conflicts and too many exams on the same day. Students taking evening classes must be careful to avoid exam conflicts between midterm exams and the final common exams. Instructors are not obligated to give makeup exams to students in cases of such conflicts. **If your LEC or SEM meets one day a week at a non-standard time, the examination will be held at the previous standard LEC time (e.g., the exam for a class that begins at 10:45AM on Monday will be held at the time indicated for classes that meet at 9:30 - 10:50AM on M/W).
